Object: Technical report rabies serology PTL April 2018

Unité Lyssavirus

Service Sérologie-Virologie

EURL for Rabies Serology

The attached report compiles the statistical analyses of the results sent by the participating laboratories to the rabies serology proficiency test organized in April 2018.

Your laboratory code is L59.

Dossier suivi par :
Marine Wasniewski

As you will notice, your laboratory succeeded in the April 2018 proficiency test for the FAVN test.

Ligne directe :
03 83 29 89 50

We kindly inform you that we have improved the technical report again in order to comply with the ISO/CEI 17043 international standard.

Fax direct :
03 83 29 89 58

We also notify you that you have 15 days after receipt of the e-mail to report us any comment, remark or to appeal against the evaluation of your performance in this proficiency test scheme. After this period, results should be considered as definitive and they will be sent to European Commission or to your Competent Authority for decision.

E-mail :
